School Year 2018-2019

Instrument ___________________________

Serial Number __________________________

This agreement states that _________________________________ has been issued a school owned instrument for the current school term. By signing the agreement, you are taking responsibility for maintaining the good playing condition of the instrument. As per the CMS Band Handbook, the student is responsible for the amount of $60.00 to cover the basic wear-and-tear, minor repairs, and chemical cleaning of this instrument. This amount will be added to your CMS Band Fee.

If the instrument is damaged or in need of repair at any time during the school year, it will be the responsibility of the assigned student/parent to inform Ms. Knapp so that she can have the instrument repaired. This expense (unless a major repair) will be covered via the school-owned instrument yearly fee.

At the end of the school year, the instrument will be serviced and chemically cleaned. By being issued an instrument in good playing condition, the instrument is expected to be returned in the same condition.

If the instrument is in need of a large/severe repair that is NOT covered by the maintenance plan, the cost will be the responsibility of the student to which it was assigned. If the instrument is not returned at all, the student will be responsible for replacing the instrument of the same brand and model as the one lost.

By signing below, we agree to the terms stated in the Calhoun Middle School School-Owned Instrument Agreement Form, including paying the $60.00 basic maintenance fee. We also acknowledge that we are responsible for covering any large/severe repairs not covered by the maintenance fee to return the neglected instrument back to good working condition at the end of the 2018-2019 School Year. If the instrument is not returned, I am aware that we are responsible for replacing it.
